TERMS OF SALE

1. A 10% Buyer's Premium is added to all invoices.
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this fact.
3. We make no other charges except the actual cost of mailing, insurance/registration. On books we charge 50¢ per lot (a book dealer now charges \$2.00 per lot). When there is more than one book in a lot we use discretion, but never overcharge you. Minimum charge on books is \$1.00.
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for future bidding.
5. *We reserve the right to reject any bid from any bidder, when we deem a bid not made in good faith. All bids must be made in dollar amounts. Added cents will be eliminated from the bid. A minimum acceptable bid is \$3.00, with increments of \$1.00 to \$19.00.*
6. Auction sales are not approval sales. By submitting your bids you agree to the terms of sale herewith set forth. No lot may be returned without written permission and request must be made within 5 days after receipt of material. No lot may be returned by floor bidders,
7. All books are as described. The actual title in a foreign language is given- the cataloguer may interpret the title which would be in parenthesis. All books are at least in fine condition unless otherwise mentioned. Books are hard bound unless CaC (Card Covers), pb (pamphlet binding), or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors.
9. Auction Sales are for U.S. cash funds. Payment must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.
10. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

CONSIGNMENT E

RESEARCH BULLETIN OF A PRESTIGIOUS CANADIAN INSTITUTION.

309. **COLLECTORS RESEARCH LTD. Montreal, Canada.** 24 groups of undated memos 4½ x 8½", each group is 4 pages and more. Also dated memos start October 1965 sized as above to October 1966, and total 97 groups. From April 1967 the size is 6 x 9½" and end September 1974 with a total of 178 Groups. A grand total of 299 groups – give or take a few each way. We sold this lot March 1995 at \$65.00 on an estimate of \$50.00. This reputable researcher has finished with it and also added 3 additional pieces. Again we believe a fair price for this magnificent collection would be 50.00

THE KATEN CONSIGNMENT OF NUMISMATIC LITERATURE

Before we start the catalogue, Laurese and I want to thank our friends who have been with us for a long time and our newer friends who started with us for the first time with the advent of the first of six catalogues of the KATEN NUMISMATIC LIBRARY in March 1994. We were delighted with our solicitation for a bound copy of the six sales winding up with a record number, 85 (84+#100), who had each paid \$100.00. Over half of the subscriptions were received in 1994 paying for a product that would not be available until August 1996.

Our heartfelt thanks to our friends and customers who made the above possible. We believe it sets a record. To my knowledge no dealer has sold as many bound copies in this country. Bound copies had the recipient's name and subscription number on the front cover in gilt.

For the record: We retained 5 copies, Numbers 1 and 2 for the Katens, Number 3 to our great grand daughter Miss Katen Manion, now 5 years old, Number 4 to Margo Russell and Number 5 to Grover Criswell.

And now for Auction Sale N^o 83.
